

## Abe Lincoln Walking Stick

My name is Josephine M. Varnell and I am a descendant of Mr. & Mrs. Frank E. Brooks. Frank's wife, M. Virginia was my aunt, whom was my father's sister.

Frank passed away in 1973 leaving the cane in my Aunt's possession when she passed away in 1986 it was left to me.

This walking stick originated from my uncle's side of the family whom were the Pickering's from Portsmouth, NH.
